

AERPO-O

SUBJECT: Enclosure 2 (CCIR criteria) to 21<sup>st</sup> Theater Support Command Policy Letter 17, Incident Reporting

**COMMANDER'S CRITICAL INFORMATION REQUIREMENTS (CCIR)**

CCIR is information required by the Commander that directly affects his decisions and dictates the successful execution of operational missions or tactical operations.

Reportable criteria are as follows:

1. CCIR A. Report issues, incidents, or nodes in the theatre that would delay or prevent unit deployments, redeployments, or sustainment support. Examples of reportable areas are as follows:

- a. Mode shortfall
- b. Node shortfall
- c. ULNs/Unit orders
- d. Equipment Readiness
- e. Personnel
- f. Sponsorship
- g. Weather
- h. Mission environment

2. CCIR B. Report any actions or shortfalls that degrade the sustainment process anywhere in theater. Examples of reportable areas are as follows:

- a. Unit Authorized Stockage Levels (ASL)
- b. Automated requisition problems
- c. Facility Management
- d. Transportation/Movement Control
- e. Closure procedures
- f. Contractor Shortfalls

AERPO-O

SUBJECT: Enclosure 2 (CCIR criteria) to 21<sup>st</sup> Theater Support Command Policy Letter 17, Incident Reporting
